

Dear parents of De Kuilen,

Trust you are well.

Please find herewith, the arrangements for the time-slot-changes:

- Robotix await confirmation, of new allocated timeslots, from the school.
- The boys will continue with Friday's classes, for this week, as per previous arrangement.
- We will implement the new time slots for either Tuesdays or Fridays as soon as we have confirmation from the school.

We appreciate your patience.

We will let you know immediately when we have confirmation.

Thank you
Erus
