

We would like to introduce you to Robotix as an extra-mural activity to all learners that want to have fun by building and coding of a robot.

During these classes the child's planning- and teamwork skills, creativity, and knowledge are being developed and expanded.

Our tutors' aim is to do their part in shaping these young minds for the future.

➤ **Here to follow below, is important information for Term 1, 2022:**

Our classes for term 1 will commence in **the third week after School opens:**

- **First classes: start on the week of 1 February 2022**
- **Final classes: for Term 1 will be on 11 March 2022**
- **AS NORMAL: classes are presented weekly.**
- **In case of unexpected absentees the child will have the opportunity of Catch-up classes on 15 March or 18 March 2022.**

➤ **Days and Timeslots:**

- **Tuesdays**

Gr 1-2	<b>13:30-14:10</b>
Gr 3	<b>14:15-15:00</b>
Gr 4-7	<b>14:30-15:30</b>

OR

- **Fridays**

Gr 1-3	<b>13:00-13:45</b>
Gr 4-7	<b>14:00-15:00</b>

Our main aim for the children is, to enjoy their lessons and to play and freely explore their robot creation, before wrapping up.

It might happen that this enjoyment could take up an extra 10 minutes, after class.

We try our best to make sure that all learners complete a fulfilled lesson.

**No registration fees are applicable**

**No extra cost for catch-up classes, in case of unexpected absentees.**

The term program consists of **six lessons over a time period of six weeks at R600.00 per term.**

**Payment for term 1 is due not later than 25<sup>th</sup> February 2022.**

**OUR BANKING DETAILS:**

FUTURE ACADEMY CAPE  
FIRST NATIONAL BANK  
(FNB)ACCOOUNT NR: 628 4114 6419  
BRANCH code: 220 323

**REFERENCE: LEARNER NAME & SURNAME**
